SAVE THE DATE

The French and German National Contact Points (NCPs) and Enterprise Europe Network (EEN) Rheinland Pfalz, in collaboration with the Enterprise Europe Network Alsace, will organise an

EU Brokerage Event on KETs* in Horizon 2020

Focus on (*) Key Enabling Technologies – KETs:
Nanotechnologies and Advanced Materials, Biotechnologies, Advanced Manufacturing and Processing

on 12th May 2016 at the Favorite Parkhotel, Mainz, Germany

(Mainz is located close to Frankfurt Airport, 30 minutes by train or car)

This event dedicated to Key Enabling Technologies will target upcoming calls in the following thematic fields:

- Nanotechnologies and Advanced Materials
- Biotechnologies
- Advanced manufacturing and processing
 - Energy efficiency in Buildings (PPP EeB)
 - Factories of the Future (PPP FoF)
 - Sustainable process industries (PPP SPIRE)
 - PILOTS

The objectives of the brokerage event are to present the 2017 topics of the European Union's NMBP Work Programme 2016 – 2017 of the Framework Programme for Research and Innovation "Horizon 2020" and to prepare future co-operations between participants. The corresponding calls for proposals can be found on the Participant Portal of the EU Commission.

Participants will have the opportunity to present their own project concepts and to meet representatives from companies/ SMEs, universities and research organisations in order to exchange ideas during pre-arranged meetings with the aim of paving the way for **future co-operations and European projects including call topics for 2017**. Brokerage activity support will be offered by representatives of National Contact Points and the members of the Enterprise Europe Network.

The registration will open in January.
